

**Introduced by Senator Alquist**

February 27, 2009

---

An act relating to federal funding.

LEGISLATIVE COUNSEL'S DIGEST

SB 769, as introduced, Alquist. Federal funding: economic stimulus: health.

Existing law contains various programs relating to public health, disease prevention, community-based prevention and wellness, immunizations, and health care associated infections.

This bill would express the intent of the Legislature to enact legislation that would implement and complement changes to federal programs and funding for public health, disease prevention, community-based prevention and wellness, immunizations, and health care associated infections that are enacted as part of federal economic stimulus legislation passed by the 11th Congress and signed by the President, in order to ensure that California receives its share of new federal funds and benefits from any changes in programs and funding that are enacted as part of federal economic stimulus legislation.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would implement and complement changes to
- 3 federal programs and funding for public health, disease prevention,
- 4 community-based prevention and wellness, immunizations, and
- 5 health care associated infections that are enacted as part of federal

1 economic stimulus legislation passed by the Congress and signed  
2 by the President, in order to ensure that California receives its  
3 share of new federal funds and benefits from any changes in  
4 programs and funding that are enacted as part of federal economic  
5 stimulus legislation.
